

# Set up for success.

Yes, product is important. But what matters more is how the product helps you reach your goals.

That's why at Omnia, in addition to giving you the best dynamic pricing solution on the market, we deliver it with an entire team dedicated to your success.

## Onboarding

Learn how to translate your commercial strategy into the dynamic pricing tool right from the start. Your Omnia Onboarding Manager will guide you through the first 90 days with the product and give you the confidence to move forward with dynamic pricing.

## Customer success management

After implementation, your dedicated Customer Success Manager will help you monitor results, share relevant product developments, facilitate yearly strategy sessions, and conduct periodic business reviews to keep you on-track with your goals.

## Knowledge and strategy

With a combined 40+ years of retail pricing and marketing expertise in-house, we have a lot of knowledge to share. Our knowledge base, blogs, whitepapers, research, webinars, and events help you stay up to date on retail trends and build the best strategies you can.

## Customer service

We know our software will become an integral part of your workflow, which is why we have a support team proactively monitoring the system and ready to answer your questions. If something happens, give us a call, send us an email, or ping us in the chat feature and we'll get back to you as soon as we can.
